Ms. Rosemary Chansky, Chair  
Stone Canyon Community Foundation  
14496 N. Shaded Stone Place  
Oro Valley, AZ 85755

Dear Ms. Chansky,

The scholars of Imago Dei Middle School, their families, the school's staff, and the Board thank you and the other Directors for your generous grant of \$15,000.00 for our school's Graduate Support Program during the coming year. We understand that the funds will be dispersed by Community Foundation for Southern Arizona.

This grant will be of great value to us in supporting our low-income students in their journey toward education and training for rewarding, good-paying careers and brighter futures, both for them and for their families. We are deeply thankful for your support of our mission of breaking cycles of poverty through education over the years, and for your belief in our work, which heartens us more than I can say.

We understand that you will evaluate outcomes closely, and that future funding will depend upon our reporting of measurable incomes. We look forward to reporting back to you on exactly what your kind gift has accomplished.

Thank you again. Stay well!

Sincerely,

*Cameron*
