"How can we give back to the community that has been so welcoming to us?"

Getting Started....

It's only been two short years since the Stone Canyon Community Foundation was nothing more than an idea being tossed around by a small group of SC members.

It started with people sharing how much they enjoyed spending time in Tucson and quickly moved to asking the question, "How can we give back to the community that has been so welcoming to us?"

We thought the end of our second fiscal year would be a good time to look back and see just how far we've come. So here we go....

Having Fun and Raising Funds....

One thing for sure, Stone Canyon members love a good party! So, we held our first fundraiser in November 2009. **Denim, Dinner an' Dancin'** also was the first party of the season and it was great success. After a night of renewing old acquaintances and making new friends, \$14,000 was added to the SCCF Fund!

It comes as no surprise that playing golf is the number one activity here at Stone Canyon. We enhanced this experience with our second fundraiser by having the LGPA Legends of Golf join us for a fun-filled event. In addition to golf, the day included a tasting of fine wines and both live and silent auctions. **The Legends of Golf and Wine** raised over \$49,000 -- an amazing achievement!

Giving Back and Helping “At Risk” Kids...

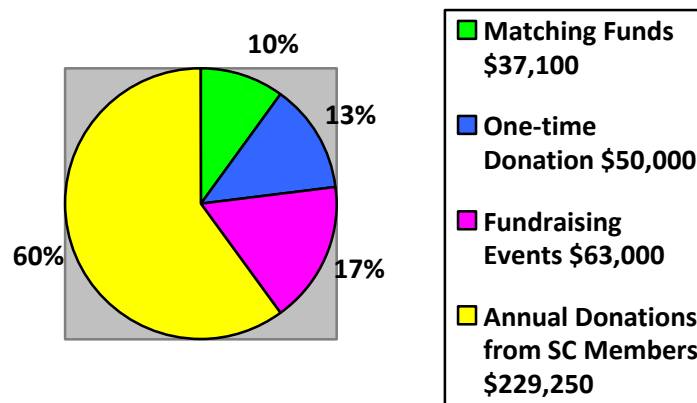

Then came the part we love best, distributing the money to non-profit agencies in Oro Valley and Tucson who provide much needed help to “at risk” kids enabling them to get on track and stay on track. In short, that is the mission of the SCCF.

“...helping ‘at risk’ kids get on track and stay on track.”

In 2009, we were able to award 7 grants for a total of \$106,200 followed in 2010 by 11 grants totaling \$145,000. In addition to the two fundraisers, the sources of these funds included a one-time donation from The Stone Canyon LLC, matching funds from the Diamond Family Foundation and Wells Fargo, and generous annual donations by individual SC members.

Continuing the Journey and Maintaining Momentum...

Yes, we are certainly off to a great start, but we need your help to keep the momentum going.

We are excited about the plans for the upcoming season at Stone Canyon which include two fundraising events.

The first will take place on November 5, 2010, with a revival of **Denim, Dinner an' Dancin'**-- so get your cowboy hats and boots ready!

In December, we will conduct our **Annual Giving Appeal** urging everyone to consider

making a tax deductible donation to the SCCF before year-end. *Remember, 60% of the funding for the SCCF grants comes from these annual donations.* Please continue to be generous.

The spring will bring great weather and another **special golf event**. Many details are yet to be worked out, but we can already promise you a good time!

It is a very ambitious agenda and that's why we need your support -- whether it's writing a check, volunteering on a committee, attending the fundraising events or *all of the above!*
