Dear Friends,

Every day I meet kids whose lives are better because of people like **you**. Because you believe they can succeed, these kids have a fighting chance to finish high school and plan for the future. Your recent grant of \$17,000.00 to Youth On Their Own for student stipends sends a message to homeless youth that they are important and deserve to be successful. **Thank you!**

We often meet former YOTO students who have found success as adults. I've met students who have become lawyers, interior designers, financial planners, barbers, and firefighters. They were able to reach their goals because people like you stepped up and lent them a hand. Your gift makes it possible for the next generation of homeless youth to dream a new dream and build a better future for themselves.

On behalf of everyone here at YOTO - staff, Board, volunteers, and students - I thank you. You truly make our work possible.

All my best,

Elizabeth
