Dear Ms. Chansky,

Thanks to you and all the folks at the Stone Canyon Community Foundation for your generous contribution of \$20,000 to support Our Family's Homeless Youth Services. Your generous support helps offer emergency shelter, transitional housing, street outreach, and other essential wraparound services for homeless youth—providing a pathway to permanent housing for our most vulnerable neighbors.

Our Family's mission is to eliminate homelessness and strengthen our community. As you know, we accomplish this by providing stability in times of crisis, linking people to support and resources, supporting social connectedness, and engaging our neighbors to tackle tough community issues. Your generosity plays a critical role in this work and we are extraordinarily grateful for your support.

Together, we will make a lasting change in the lives of hundreds of teens and young adults this year. On behalf of them, their families, and each of us at Our Family Services, thank you for your partnership in this important work and for your philanthropic commitment to Tucson and Pima County.

Sincerely,

Beth Morrison, MS
Chief Executive Officer
