It means more than ever to our students to have the supporters like **the Stone Canyon Community Foundation** that they still can persist in these uncertain times.

Chris Shea, *Retired*

Community Volunteer

When San Miguel High School receives a generous gift, it allows us to continue to change the trajectory of our students' lives in preparing them for a successful college and career experience. **Thank you for your generous gift of \$20,000 that was received on 3/23/21.**

Br. David Caretti, *FSC, Ed.D*

This upcoming school year may look different with distance learning and also with remote work for our business partners. You are part of our promise of a quality education and career preparation as we build our next business and civic leaders of the community. We couldn't do this without your generosity.
