Dear Stone Canyon Community Foundation,

On behalf of the Project Access Board of Directors, staff, and residents, we are humbled and thankful for the generous donation of \$7,500. This gift empowers Project Access to bring vital services to the community ensuring stability, support, and safe connections to neighbors, loved ones, and important resources.

Project Access currently serves more than 90 communities across the nation, providing low-income families, children, and seniors with programs and services that address Health and Wellness, Economic Stability, Education for Youth, and Community Building.

With the help of donors like you, Project Access supported, educated, and empowered more than 20,000 residents in 2022. This year, we are launching several new Resource Centers across the country and hope to impact the lives of even more individuals!

Again, thank you for helping us give our residents the tools needed to stabilize their households and pave a path to prosperity.

With sincere appreciation,
