Dear Rosemary & Friends at the Stone Canyon Community Foundation,

Every day I meet kids whose lives are better because of the generosity of organizations like yours. They have a fighting chance to finish high school and plan for the future because you showed them that you believe they can succeed. Your recent gift of \$20,000.00 from the Stone Canyon Community Foundation Fund held at the Community Foundation for Southern Arizona to Youth On Their Own for the YOTO Program (client services) sends a message to these kids that they are important and deserve to be successful. Thank you!

We often meet former YOTO students who have found success as adults. I've met students who have become lawyers, interior designers, financial planners, barbers, and firefighters. They were able to reach their goals because people like you stepped up and lent them a hand. Your gift makes it possible for the next generation of youth experiencing homelessness to dream big and build a better future for themselves.

On behalf of everyone here at YOTO - staff, Board, volunteers, and students - I thank you. You truly make our work possible!

All my best,

Elizabeth Slater  
Chief Executive Officer
