

STONE CANYON COMMUNITY FOUNDATION

EMPOWERING YOUTH TO ACHIEVE THEIR DREAMS!

2022 - 2023 ANNUAL REPORT

OUR MISSION

To support non-profit organizations focusing on positively impacting educational success, quality of life and development of youth-in-need within the greater Tucson area.

Every grant funded by SCCF is directed toward organizations supporting the Tucson area's youth-in-need.

Stone Canyon Community Foundation (SCCF) provides grants to organizations whose focus is on the Tucson area's youth-in-need. SCCF's grants support programs helping youth achieve educational and developmental success, as well as working to positively impact their quality of life.

Thanks to YOU, and your generous donations to SCCF, thousands of children, teens and families have received services to help build stronger, more positive futures.

Due to your support of SCCF's 2022 and 2023 Annual Appeals, the Advisory Board, on the recommendation of the Grants Committee, approved additional grants of \$68,000 this summer. These additional grants provided full funding of the majority of our grantees' recent funding requests. The total for all grants paid in the past twelve months totaled \$363,000, the largest level in our 16 year history exceeding the previous high of \$280,000 granted in 2019.

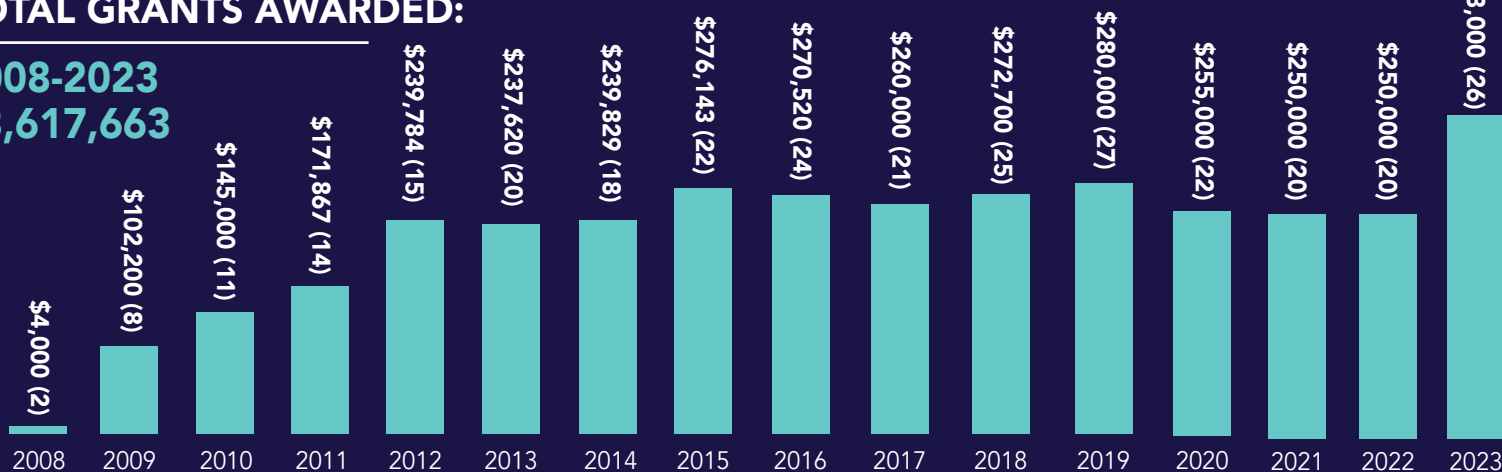

SCCF's grants have supported over 20 grantees annually since 2015, all with the mission of directly benefiting Tucson area's youth in need. To learn more about our 2023 grantees click on this link:

SCCF LEGACY FUND

The SCCF Legacy Fund's purpose is to act as an alternative source of funding to make annual grants more predictable and stable. The goal is to create a steady source of income, regardless of economic conditions, to protect our ability to continue issuing grants supporting critical local non-profit agencies. The SCCF Legacy Fund was developed in partnership with the Community Foundation for Southern Arizona (CFSA). CFSA has the infrastructure to accept current or estate gifts on behalf of the SCCF. SCCF's intention is to grow the Legacy Fund over time. Our goal for our Legacy Fund is to attain \$10 million in pledges by the end of 2029. Impressively, the SCCF Legacy Fund has already received over \$5.5 million in pledges.

"Thank you so very much for the generosity of Stone Canyon Community Foundation for helping to create meaningful early literacy and educational opportunities for young children and families in our community. I'd like to share a quick quote from a family currently participating in our Story School program:

I always knew reading books to young children was important, but this program taught me how to properly teach my son about learning to read, repeating words and sounding them out. I learned to ask my son questions about things in the book, which has helped my son, but my husband too. He sees how I'm teaching our son and helps with our son's reading when I'm not around. We have all learned from this program."
