Dear Ms. Huber:

Thank you for your recent contribution.

For more than 67 years, the Boys & Girls Clubs of Tucson has remained dedicated to inspiring and empowering the youth of our community. Your support plays a vital role in helping us continue to create great futures—

together. Your generosity makes it possible for us to sustain the extraordinary efforts we undertake to address the daily challenges faced by Tucson's youth. Did you know that while our annual school-year membership fee is just \$20 per child, **every youth receives nearly \$3,000 in program support**? It is only through the kindness and commitment of supporters like you that we can continue to provide high-quality programming, academic support, and critical relationship-building experiences for thousands of youth annually. Most importantly, your support ensures that no child is ever turned away—regardless of their financial situations.

To achieve great futures tomorrow, young people need champions today—those who are willing to invest in their success at school, in their careers, and in life. That's where the Boys & Girls Clubs of Tucson steps in, with purpose, passion, and a fearless commitment to guiding every Club member toward a brighter future. That's also where you come in.

Because when we invest in today's youth, we're investing in America's future.
America needs Club kids.

From all of us at the Boys & Girls Clubs of Tucson—with our hearts and minds focused on the future of our youth—**thank you**. We are truly and deeply grateful.

Sincerely,

Bruce Ayers
Vice President of Resource Development
