Dear Rick and Stone Canyon Community Foundation,

You sensed our need and responded with your \$20,000 grant for Higher Ground to decrease chronic absenteeism, decrease disciplinary incidents, and engage our impactful Restart SMART strategies.

Thank you for sharing our vision and helping students be successful in school by meeting individual needs, instilling executive functioning skills for long-term success, while strengthening families and school communities.

From all of us at Higher Ground, and on behalf of the many grateful families we serve, we would like to express our sincere thank you for your kindness, generosity, and willingness to help others.

Thank you for investing in our community. Your support makes Higher Ground possible!
