Dear Rick:

Thank you for your recent gift of \$10,000.00 to Arizona Friends of Foster Children Foundation (AFFCF) on 4/16/2026. Because of your generosity, children and youth in foster care are able to participate in social and extracurricular activities that every youth should get to experience.

Activities like participating in sports, taking music lessons, going to summer camp, or shopping for new clothes, these activities are critical in building youth self-confidence and self-esteem. Youth in foster care deserve access to these same opportunities and your donation helps make this a reality. Alexis is one such child your gift helps:

"I am thankful that people who don't know me helped me get clothes and shoes. helping me get clothes so I can fit in like other kids do means so much. I am speechless that people I don't know care and want to help kids like me get what we need. From the bottom of my heart, thank you!"

For over 40 years, AFFCF has been a critical funding resource to children, youth, and young adults in foster care across Arizona. Together, with your partnership, we are creating brighter, more hopeful futures for those we server
