Dear Stone Canyon Community Foundation,

Thank you for your support for Make Way for Books! We received a donation of \$5000.00 on your behalf from Community Foundation for Southern Arizona. This gift will help to ensure that young children have the resources to develop literacy skills.

Make Way for Books has supported low-income children and their families for over 25 years! This year we celebrate distributing 750,000 books and professional development support to over 500 educators. It is through partnerships like yours that enables us to make this impact and continue to focus on programming that establishes foundational literacy skills and resources to children, from birth to five years old.

From the entire Make Way for Books team, thank you for your support. Together we can continue to create literacy resources to ensure children are set up for a strong future!

Sincerely,
