Dear Stone Canyon Community Foundation Fund,

San Miguel High School is committed to providing students in our community with quality education by integrating college-preparatory academics and practical work experience. Your dedication to our mission makes our commitment to students possible.

We gratefully acknowledge receipt of your generous grant of \$30,000, which was received through the Stone Canyon Community Foundation Fund held at the Community Foundation for Southern Arizona on April 26, 2026. Thank you for supporting San Miguel students. Together, in partnership, we will continue to ensure that students in our community are supported, empowered, and prepared as they pursue their academic, professional, and personal dreams.

"To me, San Miguel is a dedicated learning environment that supports students through our Lasallian faith, individualized tutoring, and a strong sense of community. It emphasizes personal growth through education and work-study programs, helping every student build a strong foundation for their future."

- Student Ambassador, Class of 2027

Sincerely,

Thank you for your kind and generous support.
