

2025 - 2026 ANNUAL REPORT

The mission of Stone Canyon Community Foundation (SCCF) is to support non-profit organizations focusing on positively impacting educational success and quality of life of youth-in-need within the greater Tucson area.

SCCF does the work, so your dollars reach thousands of youth-in-need.

All services provided by Project Access are available at no cost to the residents on site. Project Access prides itself on the ability to increase community engagement, feelings of safety on site, and improving the lives of the youth that live on site.

SCCF has helped support Project Access's initiatives for the past 4 years.

Your continued contributions to SCCF help to fund grants to non-profit programs working to impact children's educational success and quality of life.

Thank you to Will and Jesse

Many thanks to **Will**, who served as SCCF's Advisory Board's Alternative Funding Chair. Will brought fresh ideas for funding and organized the SCCF sponsored "Comedy Night" the past two years.

Thank you to **Jessie** who served as SCCF's Member Engagement Chair. Jessie developed strong relationships with grantees and coordinated visits to several of SCCF's grantee sites. Jessie will transition her role to Rick Ellspermann, Grants Committee Chair.

SCCF LEGACY FUND

The SCCF Legacy Fund's purpose is to ensure an alternative source of funding to make annual grants more predictable and stable. **SCCF's goal is for the Legacy Fund to become endowed, so its income will fund grants, rather than depending upon annual fund raising.**

The SCCF Legacy Fund was developed in partnership with the Community Foundation for Southern Arizona (CFSA). CFSA has the infrastructure to accept current or estate gifts on behalf of the SCCF. SCCF's intention is to grow the Fund over time. Our goal for our Legacy Fund is to attain at least \$10 million in pledges by 2030. Impressively, the SCCF Legacy Fund has already received over \$5 million in pledges.

"We are so grateful to receive the continued support of Stone Canyon Community Foundation.

The community coming together to support students is what makes this all possible.

We just started a grief support group supported by Stone Canyon Community Foundation grant and Tu Nidito trainers. **The ability to continue these programs is monumental to creating change in students lives."**
